SAVING LIVES LOCALLY.
FIGHTING BREAST CANCER GLOBALLY.

2016-2017
Breast Health Resources

OUR MISSION

To save lives and end breast cancer forever.

ABOUT KOMEN AUSTIN

Susan G. Komen® Austin is an Austin-based nonprofit committed to saving lives locally and fighting breast cancer globally. Komen Austin is the only local breast cancer organization attacking the disease on all fronts — education, screening, treatment, follow-up care, survivorship support, advocacy and research. The organization serves the women and men in the city’s five-county area battling breast cancer by removing barriers to care for the uninsured and underinsured. Of the funds raised annually, Komen Austin invests up to 75 percent into local community health care grants and educational initiatives; the remaining 25 percent is invested into global research studies to find the cures for breast cancer.

Since 1999 Komen Austin has invested more than \$11 million into breast health services and educational efforts in Bastrop, Caldwell, Hays, Travis and Williamson counties. Additionally, over \$5 million has been raised to fund global research studies to find the cures for breast cancer. Komen Austin encourages the local community to help save lives and end breast cancer forever by participating in year-round fundraising efforts and our signature events — the Susan G. Komen® Austin Race for the Cure and the annual Pink! Party.

BREAST HEALTH SERVICES AND RESOURCES

Through its community health care grantees, Susan G. Komen® Austin funding makes critical breast health services accessible to uninsured and underinsured women and men in Bastrop, Caldwell, Hays, Travis and Williamson Counties. **If you need breast health services, look for your county below and contact the Komen Austin funded health care provider which offers the service you need.**
