

Mammography Services Available for Uninsured or Underinsured Bastrop County Women

Screening Available Through Susan G. Komen Austin Grant

WHAT: Bastrop Mobile Screening will be available for uninsured or underinsured Bastrop County male and female residents.

WHO: Eligible women for mobile mammograms must be a Bastrop County resident, at least 40 years old, have no breast implants, not pregnant or breast feeding, no history of breast cancer, and no mammogram within the last year.

WHERE: Bastrop High School
1614 Chambers Street
Bastrop, TX 78602

To schedule an appointment: call (512) 324-3375

WHEN: Saturday, July 9, 2016. 8:00 a.m. – 3:30 p.m.

WHY: Mobile mammography service is made available through grants from Susan G. Komen Austin to the Alliance for African American Health Care in Central Texas and Community Action of Central Texas, Inc. The grants provide mammography services for uninsured and underinsured men and women in Bastrop County.

For more information: call Marva Overton, (512) 619-4280

Susan G. Komen® Austin is an Austin-based nonprofit committed to saving lives locally and fighting breast cancer globally. Komen Austin is the only local breast cancer organization attacking the disease on all fronts – education, screening, treatment, follow-up care, survivorship support, advocacy and research. Komen Austin invests up to 75 percent into local community health care grants and educational initiatives; the remaining 25 percent is invested into global research studies to find the cures for breast cancer.
